WILD WEST OUTING

The **Wild West** outing, (May 16-18) planned by the **Phoenix Patrol**, was a big hit. There were all sorts of fun things to do at this campout. There was horseback riding, panning for gold, and excellent meals. Those who went on this outing seemed to have thoroughly enjoyed it. Thank you, **Phoenix!**

Here are 2 new Scouts setting up their tents. This was the first campout for many of the Duct Tape and Eagles.

Big Game Outing

From the 6th of June to the 8th of June, many Scouts had a blast at the **Big Game Outing**. The main point of the campout was to learn about animals. We went to the Minnesota Zoo, and did a scavenger hunt. Most of the people who went to the zoo got a free stuffed-animal bear! But the zoo was not the only fun thing we did. We also taught lashing to the new scouts in a fun way: we built a catapult! We launched everything from a stuffed bear to a miniature "Speed Racer" plastic action figure! Thank you to the Indians for planning, and the Crows for leading.

Guess what's coming up on the 13th of July!
MANY POINT SCOUT CAMP!
 This week-long camp will be filled with fun, friends, and all sorts of things that you will surely love!

COMING HOME

The Scouts who dared to go on a 2 week-long trek through the mountains of Philmont, New Mexico, a high-adventure Scouting ranch, are coming home on Sunday June 29th!

Congratulations to all the scouts who are going to earn a rank or merit badge on Monday June 30th, the Court Of Honor!
