

Crystal Cave

Permission Form

On **September 22-24** Troop 479 is going to Crystal Cave in Wisconsin. We will tour a dam, do a two-hour service project (bring work gloves!), and tour Crystal Cave. For you scouts who took camping merit badge at Many Point and didn't do a service project, this counts. It is going to be great.

We will meet at the EPPC church by **6:16pm** so we can leave by 6:36pm.

Payment: **\$22.00** will be taken from Scout's account. This covers all costs.

Turn in your permission slip to your Patrol Leader right away so he can turn them in to Joe Vergeront before or during the **September 11 Troop Meeting**.
